SPECIAL INFORMATION:

1. This will be a standard U.C. Golf Club tournament.
2. The entry fee includes the green fee, cart fee and prize money.
3. UCGC memberships expire on September 30, 2008. Renewal notices were sent out in the last mailer. New members are being accepted at \$150.00 (UC affiliation) and \$200.00 (no UC affiliation).
4. *2009 Schedule:* The 2009 schedule is complete and is included in this mailing. The first three tournaments of the 2009 year are the Course at Wente Vineyards, Saturday, February 7; Coyote Creek, Saturday, March 7 and Roddy Ranch, Saturday, April 4. The 2009 schedule, as decided by the board, will forego tournaments in the months of January and December due to lack of participation as well as extreme cold and wet weather. We have not reduced the number of events but simply moved them out of those winter months which makes each tournament more frequent...approximately every three weeks.
5. Callippe is a relatively new course which has been getting rave reviews from all who have played it. The course features demanding tee shots, especially on the back nine, excellent greens and is well maintained. This is the club's second visit to Callippe...and we will be returning in '09.
