### TOURNAMENT INFORMATION

1. USGA rules govern play except as modified by local rules and conditions.
2. We used the December indexes for this event. The conversion from Index to Handicap has been completed. The Slope for the men is 124(Course Rating: 70.2). Play is from the Middle Tees (White – 6,331 yards).
3. \*\*\**The field will be playing a combination on Winter and Summer Rules. Please Note: The ball will be played with preferred lies (Winter Rules) ONLY in the closely mowed areas, (fairway height) otherwise the ball will be played down (Summer Rules) in all other areas of the golf course (the rough). If your ball comes to rest in an area that is not clearly defined as fairway or rough, bring your fellow competitors over to make a group decision on whether you can "bump" your ball or not. The fellow competitors in the group need to protect the entire field when making the ruling.*
4. Tournament Prizes will be:
  - Flights: \$40.00, 1<sup>st</sup> place; \$25.00, 2<sup>nd</sup> place; \$15.00, 3<sup>rd</sup> place & CtPins.
  - Blind Bogey: \$10.00, 1<sup>st</sup> place.
5. Holes #7 and # 11 will be our Closest-to-the-Pins.
6. The phone # for Las Positas is (925) 455-7820. The website is laspositasgolf.com

### UC GOLF CLUB INFORMATION

1. **UC Golf Club Schedule:** The 2009 schedule is now complete and posted on the website. If you have any questions please call Steve Desimone at 510-643-5914.
2. **Inclement Weather:** If the weather and course conditions are questionable please call the golf course the morning of the event. The decision as to whether or not we will play the tournament will be made early enough that morning so everyone can make their starting times. We will make every effort to play the tournament if it is reasonable to proceed.
3. **Winter Rules:** The USGA does not recommend using "Winter Rules" describing it as "preferred lies." This type of play is used primarily for abnormal conditions, generally due to heavy rains and wet, muddy turf. For UCGC purposes, "Winter Rules" means that the player is allowed to mark, lift, clean, and place his/her ball the length of a scorecard(of the course being played), no closer to the hole, through the green (not in a water hazard or out of bounds) from its original position. USGA rules do not require it, but etiquette of the game is such that when a ball is moved, it should be moved onto the same type of surface as the original lie. **The rule is not meant to move a ball from clearly defined rough to a clearly defined fairway. Do you know what "through the green" means?**
