UC GOLF CLUB INFORMATION

1. The seedings and first round pairings of the 2009 Eddie Reed Match Play Championship will be unveiled at Roddy Ranch. An email of all the information for the 2009 Eddie Reed Match Play Championship will go out early next week electronically for those of you that couldn't be at Roddy Ranch.
2. Late entries are again a significant problem. We must confirm our player count with the courses at least seven days in advance. It is becoming increasingly difficult to keep control of our field and player count as we near an event. This mandate from the courses means that flexibility in filling the field after the deadline date is becoming more limited. The courses are not only mandating an early count...they are requiring early payment. If you plan on playing, please heed the deadline date or earlier. Also remember, campus mail has never been all that reliable delivering mail in a timely fashion. To be safe, the earlier the better!
3. UC Golf Club Qualifier-Associate Club Championship: The UCGC entry form for the 27th Annual NCGA Associate Club Championship-UC Golf Club qualifier is enclosed.
