SPECIAL INFORMATION:

1. This is a standard UC Golf Club tournament. **Please note the Entry deadline date.** The field will be limited to 60 players because of our starting time and lack of daylight. We really need to receive your entries before January 28 to secure a spot in the field
2. The entry fee includes golf cart, prize money, driving range, yardage guide and divot tool. Entries will be given priority as they are received at the golf office.
3. Back by popular demand. The Course at Wente Vineyards is arguably the best course in the East Bay. Only the back nine at Ruby Hill (the Jack Nicklaus-designed course in Pleasanton) has anything to rival Wente. The spring green fees at Wente are \$150.00. We have a wonderful package...even for February!
